

Healing Broken Hearts Bereavement Conference

June 9th, 2018 8am to 5pm

RA Centre – 2451 Riverside Drive, Ottawa ON K1H 7K7

Overview

The conference brings people and resources together to connect and learn ways to advance healing. The day is designed to be shared by those on a bereavement journey as well as the important caregivers and professionals who support them; whether the loss of a loved one is anticipatory, recent or long ago. Choose three workshops from a choice of 15 uniquely designed sessions that are informative, interactive and/or experiential.

Dr. Brian Goldman is a veteran ER physician and one of Canada's most trusted medical broadcasters.

Featured Speakers

Andrea Warnick is an educator, registered psychotherapist, nurse and thanatologist.

Easy registration: www.picatic.com/HealingBrokenHearts

Includes continental breakfast, lunch and refreshments throughout the day.
(Please sign up early to book your preferred workshop. First come first served.)
